

# End Time Message Believers Assemblies Pakistan

## Pakistan Missions Update March 2009

Dear Brothers and Sisters,  
Christian greetings in the name of our Lord Jesus Christ..

An Update on what is happening among the Bride in Pakistan is in front of you. Your great missions help and support and faithful prayers for your brothers and sisters this far make it happen. Thanks much for your burden for the work of our Lord the God around the Globe.

### We need your prayers more than ever before:

Bride of the Christ is going through a great time of purification and expanding in the country of Pakistan. God has given us courage and strength to preach the Word of God with its wonderful revelations and manifestation while this whole country has become a great problematic place to survive in. God has His own ways and has promised for our protection and safety in any kind of situation.....and we surely believe and stay with His precious words, more than any other people on the face of the earth. Traveling and gathering in conventions and seminars are life threatening risks.

When you leave home with the doubts in your heart that something may happen to you in the missions field or at work and not even sure what may happen back home .....how uncertain it is.

Where believing Christianity is considered as an half offence for the entire Christian community and moreover standing with the Message of the hour with the full manifestation of the Word is other half offence in front of denominational church .....is a daily suffering.

Poverty and inflation has hit and damage the poor nations like us badly.....we are suffering a 12 hour electricity shut down in 24 hours a day from last winter till now...even shall bear through the whole summer when temperature rises to 48-49 degree Celsius...and utilities are not in the reach of a common man.....Its hard to feel the amount of the pressure and depression we face but I believe your hearts and prayers are with us.

Our young school going children also know very well how the precious "PEACE" is. Where the security forces including police, rangers and military is being targeted and the government officials and territories are not safe . Bombs and shooting, killing people and practicing unlawful acts are its highest level. Printed and electronic media is full with the deadly scene and news.....Peace looks real far.

When the whole world is going through a serious financial crises and try to get their financial restoration with the several strategies and support programs,,,Oh.my.my.....But our Master said.....

**"And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh"**

ITS MY HUMBLE REQUEST TO ALL BROTHERS AND SISTERS...PLEASE CONTINUE YOUR FAITHFUL UNCEASE ABLE PRAYERS FOR THE URDU SPEAKING BRIDE IN THE COUNTRY OF PAKISTAN. THANKS.

### Outreach/Missions:

Reaching out to the various denominational Christian and sharing them the Message of the Bride Era had never been so fruitful before. For sure we are at the end of the harvest. Elected seed is receiving and accepting the warm shining light of the Son. How I was longing to see this acceptance among the Believers for their Spiritual building and for the nominal Christians to reject the false religious thoughts and self made understanding. Glory to God.

Bro. Zeeshan Dilawar and ministers at Sialkot convention

### Sialkot:

We had a wonderful series of meetings in March at Sialkot where a healthy number of people gathered to listen the End Time preaching. Bro. Zeeshan who is a young preacher work with full zeal and zest prayerfully, under the anointing of the Holy Spirit arranged these two days convention. Bro. Anwar and few other ministers went to provide a rich fellowship to the Believers group there and to conduct the question answer meeting. Bro. Moon who is another young preacher in Sialkot arranged Sunday morning service. People were already prepared to accept the Lord Jesus Christ and to repent from their sins with the good solid preaching/teaching by the local minister.....they had a good shot of the Word by the visitor preacher and they brought themselves under the will of God by acting upon His Word. Glory.

**Baptismal group in Stalkot at Bro.Moon's church**

and wanted to be baptized right away. So they got baptized in the name of Lord Jesus Christ for the remission of their sins. Praise the Lord.

**Bro.Sarfraz Masih(Gujanwala)** sent his report saying that as the days pass....he gets more busy. Currently he is having 17 scheduled meetings in his surroundings. His whole week is busy and sometime he get delayed to keep in touch with the people because churches keep calling him for the teaching and preaching of this Gospel.

**"But when He saw the multitudes, he was moved with compassion on them, because they fainted and were scattered abroad, as sheep having no shepherd.Then saith he unto his disciples, The harvest truly is plenteous, but the labourers are few;Pray ye therefore the Lord of the harvest, that he will send forth labouers into his harvest. Mathews 9:36-38**

What a time we are living in.

Every single Word is being manifested in front of our eyes. Bro.Shamoon Patras who was a UPC preacher before heard this Truth of the last age through Bro.Sarfraz and read the Message and attended a number of meetings with Bro.Sarfraz and Bro.Anwar.....finally halt himself and spoke out very clearly"THIS IS THE MESSAGE OF RESTORATION OF THE BRIDE". Glory to God.

**Bro.Shamoon Patras**

Pastor Shamoon visits throughout the country . He is a well known preacher among Pentecostal denominational groups. Bro.Sarfraz is a good source of introducing the Message and for laying a good solid foundation of the Truths for this brother..... Amen.

**Karachi:** We have a wonderful group of ministers in the country's largest city. Karachi city is known as "Mini Pakistan" because of its multi-cultural citizenship and both area and population wise. Bro.Shamoon Yaqoob, Bro.Noor Masih,Bro.Munir Masih,Bro.Iqbal, Bro.Almaas

and Bro.Ghulam Masih are the key ministers in this area. Saints at Karachi were very excited to have Bro.Anwar and his family with them for 3 days before they left for Dubai/Sharjah meetings. It was a kind of feast for every Believers of this end time. God used His servant with the power of the Word and straighten many things through question answers meetings.

Saints and the ministers had a wonderful time when there was a special evening service arranged at Bro.ShamooH Yaqoob's church at 7:30. Worship and preaching of the gospel was a great blessing for everybody. Few denominational ministers who were also present and wanted to talk after the service stayed there.Young Believers and of course minister of this Message also

stayed for the night sitting. The whole night gone in question a n s w e r s meetings and it was 7 : 0 0 a.m.....but everybody was as fresh as they were in the evening and we all praised the Lord for this wonderful time spent under His special anointing and many doubts and complains were washed away with the cleansing power of the Mighty Word. Glory to God.

Later on, Brethren arranged breakfast and they went for their daily work directly from the church. .... Hallelujah. The Holly Ghost is working on the souls to prepare the Bride of the Christ. Amen.

**U.A.E. Missions:** God is so good to us. Dubai/Sharjah was honored with a bunch of wonderful preachers and missionaries from North America for few days in the last week of March 09. Bro.Barry Coffey who have a burden for this region to spread this Message, came with Bro.Eugene Braun(Edmonton) and invited Bro.Tony and sister Rebekah Abma (as Bro.Tony have the same burden for the people in Islamic nations) and young Brethren, Bro.Rick Purdy ,Bro.Raffy(Edmonton) and Bro.Peter and Bro.Steve (Virginia) joined them while a new Believer Bro.Peer (Lebanon) . Bro.Anwar and Family joined them from Pakistan for these special meetings .

On reaching at UAE ,an "Unknown" group of Believers was already trying to contact with Bro.Barry and finally got in contact...which was amazing. There were about 25 Believers of the same Message we believe from the

different nations. They were assembled in a private villa on Friday morning.

Indian,,African,Phillipians,English and Pakistani all together..... TRUE PICTURE OF THE BRIDE. It was exciting to know that God is moving among them as we could feel the presence of the Lord there. Bro.Barry Coffey shared a great Message of the End Time and Bro.Tony, Bro.Eugene and Bro.Anwar shared few words and greet them. They use to have English service. Bro.Yaqoob Tasneem in Sharjah is having services in Urdu language and Bro.Krupa Raj in Tilgue language. So praise the Lord for these three groups in United Arab Emirates.

Bro.Eugene shared an amazing Message about the Bride choice on Friday Evening.....we had a wonderful feast of the rich fellowship and the Word. Glory to God for His unseen hand who gather and choose His elected ones from the every part and corner of the world. Amen.(UAE needs more outreach and teaching of the Word). Please pray for their further walk in Christ in this Last Age. Amen.
